

Welcome to The Courtyard Deli!
We are delighted to be serving great locally sourced healthy food!

Our patio is all set up for outside dining! Trust that we are following all CDC and the LFUCG guidelines. We have a sanitizing station available in our dining room and a plexiglass ordering shield. We allow up to 20 persons in our dining room to walk up to order, dine in or take food to go. We have made plenty of space for social distancing and have masks in hand .
